Spottswood School Directory
1970

Size: 1 folder

Scope & Content

The directory contains the names of all graduates, teachers and principals who had been associated with Spottswood School from 1923-1962. Current information (1970) is provided for some of the people. The directory was prepared for distribution by the Spottswood Elementary PTA at a program held May 16, 1970 to bid farewell to a public school house in the community

Historical/Biographical Note

In 1921 the two-story frame structure which had included only elementary grades became a high school. In January 1923 the present (1970) building was completed. Miss Poague Rowan was the first principal.
