John Fulton Family Bible
1978

Size: 1 folder

Scope & Content

The bible records begin with an entry that records the birth of Hugh Fulton in 1729 and his death on May 16, 1810. John Fulton was the son of Hugh and Sarah Campbell Fulton. John married Jean Reid. The births of John and Jean Fulton's nine children are recorded in the bible. In addition, there are entries for other family members. The accompanying two-page narrative gives a brief history of each of the nine children. Most of the dates fall in the 1800-1850 range.

Historical/Biographical Note

Hugh Campbell had accompanied his parents, James and Sarah Fulton when they settled on the headwaters of South River about 1739. Hugh bought 637 acres in Beverly Manor located between modern Greenville and the Rockbridge County line.

Organization/Arrangement
