Ledgerwood Family
1937

Size: 1 folder (15 pages)

Scope & Content

The family history is documented with references from several early Augusta County records i.e. muster rolls, deeds, court and church records. William, along with his wife Agnes and five children, came from Ireland through the port of Philadelphia prior to 1738. A short sketch is provided for each of the five children. Jane Ledgerwood married John Moffett Sr. and Martha Ledgerwood married James Patterson. There are also two pages that focus on excerpts from books pertaining to the origins of the Ledgerwood family in Scotland.

Historical/Biographical Note

The first mention of a Ledgerwood in Augusta County was William Ledgerwood Sr. in Hume's Old Field Book of Surveys in 1738. It is believed that all of William and Agnes' children moved to Lincoln County, Kentucky in 1763.
