History of the Augusta County Library, 1939 - 1976
1976

Size: Four pages

Scope & Content: This document is a chronological history of the Augusta County Library from 1939 to 1976. It discusses the library's unofficial beginnings at the Beverley Manor Grammar School before 1939 and its growth and location changes through the years. This accession lists the librarians, assistant librarians, and bookmobile personnel between 1939 and 1976.
