Scope & Content

The history of the church was published in 1986 to celebrate its 150th anniversary. It contains copies of the original deeds for land, photographs of the church as well as various membership lists. Also included are extensive cemetery records with maps and locations of burials.

Historical/Biographical Note

On March 26, 1836, Robert Steele and his third wife, Martha Ann Davis Steele, deeded ¼ of an acre to the Greenville Methodist Episcopal Church in Greenville, Virginia to erect a house of worship. In 1899 a new church was constructed. In 1908 the second church was destroyed by fire. The third church was completed in 1910
