Whitsons-350 Years in America
1990

Size: 1 folder (32 pages)

Scope & Content

This file contains brief descriptions of several members of the Whitson family as well as family group sheets. The earliest Whitson included is Joseph Whitson found in Isle of Wight county records in 1667. The first member of the family to move to Augusta County was William Whitson born ca 1706. Family group sheets cover descendants through Clefthon Gorman Whitson who died in 1958.

Historical/Biographical Note

William Whitson (1706-1783) moved to Augusta County, VA before 1754. During the Indian raids of the late 1770s, William Whitson and several sons moved into the area that is present day Washington/Carter counties Tennessee.
